FrameWork panels build your workspace solution.

Mix-and-match **FrameWork** panels. Available in a multitude of widths with 48" and 66" tall options.

1. Powder coated 2 3/8" extruded aluminum frame
2. Fabric exterior over an engineered wood block panel
3. Tackable and noise absorbing EVA foam panel (above work surface only)
4. 2 easy to adjust levelers included per panel
5. 1 grommet on 24" wide panels, 2 on wider panels
6. Optional phone/internet or power into grommet

Connecting posts support your desired configuration.

4 different **FrameWork** posts, all available in 48" and 66" high options.

✓ **Square 2 Way Post**
To create an 'L' shape

✓ **Square 3 Way Post**
To create a 'T' shape

✓ **Square 4 Way Post**
To create an 'X' shape

✓ **Triangle 3 Way Post**
To create a 'Y' shape

FastClip easy-to-assemble panel to post system for fastest install in the industry.

- Easy to connect multiple height panels and posts
- Preinstalled clips on panels and posts
- Creates a secure stable connection

Built-in wire management raceway to contain and clean up the clutter.

- Wire management in the bottom of all panels
- Easy to open bottom cover and side aluminum profile
- Various optional electrical components available

Panel hung storage maximizes your work space.

FrameWork has 2 panel hung storage options that fit onto 30 and 36" panels only.

1. Adjustable height powder coated steel cabinet
2. Adjustable height 1" melamine shelf

Sample layouts. Ideas of how to shape your space.

For flexibility, choose **FrameWork**. Select from a layout below or create your own.

- ✓ Wrap around free standing desks
- ✓ Define borders within a room
- ✓ Team with **HDL** and Heartwood or use with any existing freestanding furniture
