Elegance and quality with uncompromising attention to detail, the aesthetically appealing **ELITE** series is featured in rich **CHERRY** veneer.

All **ELITE** surfaces are 1 ¼ thick and finished with a distinctive reed style profile and radiused corners. Exposed gables have a matching radius detail. Nickel double arched drawer pulls and optional aluminum framed doors with tempered frosted glass add a modern touch to the series.

Whether you choose one of our four feature layouts, or build your own suite from our list of components, Elite is your **IN STOCK** solution. Our goal is to always exceed your expectation at a price that will fit your budget.
